Trevor,

Following our conversations today, we look forward to receiving a date for the Agency Document Review at the Department of Tourism as soon as possible.

We are also anxious to receive the State's revised privilege logs. We understand that you are currently working on the Oklahoma Scenic Rivers Commission Privilege Log and the Privilege Log for the Office of the Secretary of the Environment. We request that you provide revised logs for ODEQ, OWRB and OCC on a rolling basis so that we may have some if not all in hand before the hearing on April 27, 2007 on our Motion to Compel.

Theresa

I will get you dates. It is easier to schedule them one at time because the agencies has to get the documents pulled and then we have to review them. Tourism should be the next agency and I will check their progress in pulling documents.

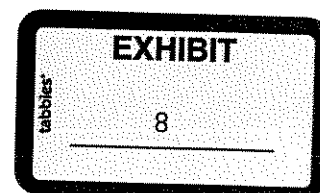

Thanks,

Trevor
